FEES 2011

The Board of Management has recently decided to set the full-year fees for the 2011/12 academic year 2% above the current level. This increase will apply to the annual fees and the Transition Year supplement - most other charges, including after-school studies, etc. will remain at the current 2010/11 rates.

	Secondary	Primary	Kindergarten	TY Supplement
2011/12	€4,155	€4,420	€4,010	€440

The decision to implement this increase (worth an average of €80 per child for the year) was taken primarily in order to properly fund the costs associated with direct employment of teachers, at a time of reducing support from Government for private schools.

The Board and management team have undertaken reviews of many aspects of the school's costs and implemented schemes for savings wherever possible, in order to ensure this increase has been kept to the lowest achievable level. As parents in the school ourselves, we are mindful of the current difficult times and the need to make funds stretch as far as possible.

Conn Clissmann, Treasurer, 11th May 2011

FEE PAYMENT IN ST. KILIAN'S

There are a number of fee payment options offered by the school including full payment in advance, payment in 3 instalments over the course of the year and the direct debit option.

I would like to remind parents that, under the Terms and Conditions of Fee Payment:

- **Cancellation** for the next year **must be received in writing by the May 31st** preceding the school year – **otherwise full fees apply.**
- **Outstanding debts jeopardise a child's place** in the school for the coming year.
- The school reserves the right to **withdraw the family rebate if fees are not paid on time.**

Should you have problems meeting the payment terms and conditions or have any queries regarding finances generally, please feel free to contact Adrienne Mac Mahon through the school office (Phone 01-2883323) or at accounts@kilians.com.
