Re. Remission on School Fees for Bi-lingual Leaving Certificate

Dear Parents,

I am pleased to confirm the Board of Management's decision to offer a special remission on fees to students opting into the Bi-lingual Leaving Certificate course from September 2008.

A remission of 20% on school fees will apply to students in 11th and 12th classes; a further remission of 10% will apply for 12th class students who achieve an Honours grade in their End-of-Year examination after 11th class.

Some details as to the practical application of the remission. This remission

- applies to school fees only
- is subject to attendance of the course, i.e. it will be cancelled if the student leaves the course
- will be applied at the end of each semester, i.e. Christmas and June.
- the school reserves the right to review this scheme every 12 months.

I trust this will encourage and reward broad participation in the Bilingual Leaving Certificate and I would be happy to clarify any queries you may have on the matter.

Kind regards,

Rolf Fenner
Principal
