Keep in Touch

National Fitness Day

We had a wonderful celebration on Thursday with the whole school from Kindergarten to 6th Class. The sun shone, the music blared and the games were fast, active and fun. Another superbly organised event by the P.E. Department, headed by Ms. Collins.

Celebrating Tag der Deutschen Einheit

The children can dress in traditional dress or in the colours of the German flag on Friday, October 7th when the whole school will celebrate.

Goethe Institut Courses for Parents

Frau Raffelt has kindly been liaising with the Goethe Institut re courses for parents. These were well attended last year and I attach her information sheet. And thank you very much, Frau Raffelt.

Have Your Say

Children having sufficient time to eat their lunch was a matter which arose in most of the Parent Teacher Meetings of the last few weeks. The question of how much time and how that time is accommodated is one on which we would like to get your opinion. You can do so [here](#) and by doing so will help inform any changes we make.
