

Dear Parents/Guardians,

Following you'll find the school's book lists for the secondary school for 2018 / 2019.

The German school books which are published by German publishers for both Primary and Secondary School can be ordered online via www.globalbooks.de. You will see this globalbooks.de sign at the top left corner of a list if the books therein can be ordered through Global books. You can opt to have them delivered directly to your address (€7.99 postage) or postage free to the school. In this case the books will be distributed by the class teacher during the first week of school. There will also be an explanation about the German levels on each list. Please make sure to read those carefully and verify that you are buying the books for your child's correct level.

All other school books can be purchased at any book shop in Ireland that sells school books or online through any of the links below:
